## CAFÉ MIRAGE DELUXE

The amazing **CAFÉ MIRAGE DELUXE SUPER AUTOMATIC COFFEE CENTER** offers the very best in terms of performance and reliability, combined with a very attractive modern design. In a few seconds you can get a coffee with the authentic creaminess and taste of the genuine espresso by a simple push of a button. This powerhouse quickly performs all of the tasks required to prepare a great cup of coffee starting from grinding fresh beans to pouring the coffee into the cup and does it to the specifications you set. Tooled and designed in Italy, **CAFÉ MIRAGE DELUXE** comes with a 5 button front panel control and is capable of making either coffee, espresso or cappuccino by automatically grinding and brewing the coffee beans in the hopper.

1326

### **Additional features include:**

- Electronic programming of level of coffee per cup
