

Dualit[®]

Drink Prep

Hand Mixer

The Dualit Hand Mixer has been designed for both commercial and home use and comes with a professional heavy-duty 300 watt power motor. On top of the solid ingenuity, this five speed mixer stands out from the crowd with it's unique manually retractable power cord which cleverly winds into the rear cap end, ensuring easy and tidy storage at all times. The Soft Touch finish mixer comes with a balloon whisk, two oversize flat beaters, and dough hooks.
