

Espressione

Super Automatic COFFEE CENTER

With simply push of a button the Espressione SUPER AUTOMATIC COFFEE CENTER will grind whole coffee beans, dose the perfect amount of ground coffee, tamp, brew and discard the used grounds into an internal dump box. Produced by a European leader in vending technologies, this quality bean to cup machine features a 16 gram group, which is greater capacity than most. Individual coffee tastes can be chosen and programmed with a wide range of cup sizes and coffee strengths. Features THERMOBLOCK. The first of many Espressione Super Automatic Espresso machines from this powerhouse from the Netherlands!

FAM500S
