

Supremo Deluxe

CG6SB (black)

Grinder

This Briel Deluxe Grinder has a professional heavy-duty grinding mechanism with extra-hardened burrs, comes equipped with an easy to use time and amount to grind dial. Produces a uniformly ground coffee from *very fine* for espresso to *coarse* for a percolator, all the while keeping heat and noise to a minimum to prevent scorching. Comes in a beautiful black and silver finish.

Additional features include:

- Grinder mechanism automatically dispenses a pre-measured amount of ground coffee directly into the filter holder of *any* espresso maker.
- Easy to use knobs to control both the amount of coffee to be grinded as well as the grind
- Choose from fifteen variable grind settings.
- 5.3 oz. capacity bean hopper is sealed to keep coffee fresh.
- Measuring spoon for storage container is included.

Master Carton:

- 2 units
- 19"w. x 12 ½"d. x 14½"h.
- 1.99 cubic feet
- 16 lbs.

UPC Code: 7-86818-30003-6
