

Dualit®

Drink Prep

Chrome Blender

The Dualit Commercial Blender has a unique patented interlocking safety system that prevents the blades from rotating unless both the glass jug and lid are in place. The 500-Watt professional motor has variable speeds and a pulse button giving the user optimum control.

Product Features

- Heavy duty motor with Variable Speed Control
- 2 part interlock safety system – blades will not rotate unless both jug and lid are in place
- Pulse feature works at any speed
- Stainless steel blade assembly
- 1.5 L stainless steel jug is available as accessory
- Cord storage under base
- Filler cap & recipe booklet
- Suction feet insures blender security during use
- Commercial certificate & UL Approved
