

Espressione

Luna

A new way of conceiving an espresso coffee machine, no longer a mere appliance for the home, but part of the interior design, the **ESPRESSIONE** LUNA may be wall mounted or suspended on a metal support. Quality machine produced in Italy. This stainless steel machine features commercial quality components, is well suited for small restaurants, hotels, and cafes, and of course, use by the upscale consumer. Easy to use—simply lift the handle to make coffee, lower the handle and you get steam! ESE for use with coffee servings (pods)!

#Luna
