

UNO Commercial Electronic

The **ESPRESSIONE** UNO Commercial Electronic espresso machine produced in Italy by Grimaç, and features commercial quality components such as the internal copper boiler with a highly polished stainless steel exterior; it is perfect to use in small restaurants, hotels, and cafes, and of course, use by the upscale consumer. Can easily produce many continuous espressos and cappuccinos due to two different systems for extracting espresso and steaming milk. ESE adaptable for use with ground coffee or coffee servings (pods)!

#UNO ELE
