Kitchen Prep

Mini Chopper

The new easy to use Dualit Mini Chopper is equipped with a powerful 260 watt motor that allows for a dual setting of high or low speed chopping. The mini chopper holds over 1.1lbs in capacity and comes standard with a safety lid with interlocking design and conveniently located drizzle holes. Inside it is fitted with stainless steel long-life blades ensuring consistency of performance time after time. The non-slip feet provide safety and convenience while in operation at either low or high speeds. This beautiful yet powerful mini chopper comes with a Dualit plug assuring easy and safe electrical operation in your kitchen. Comes in chrome or soft touch colors.
