We have searched the globe for the finest quality espresso coffee and have accomplished this through an old world, Italian coffee roaster, headquartered near the Amalfi Coast in Italy. This coffee roaster has been in business for over 50 years, having mastered the technique of producing blends of coffee from the best varieties of Arabica and Robusta coffees. Our roaster produces and sells various blends of coffee for professional bars, domestic consumption and for the automatic vending areas of distribution. They enjoy an active presence in both the Italian domestic and international markets with its high quality products. Due to their size and flexibility, they are able to guarantee swift and efficient deliveries of our range of products. Using the E.S.E. pod system, the **Espressoione** pod range, ideal for both the Commercial Operator and Domestic Consumer, ensures consistency in the critical factors that determine the production of a real espresso that forms the basis for all Cappuccinos, Lattes and Mochas. A consistent coffee dose with a consistently correct grind and consistent packing of the ground espresso guarantee that a perfect espresso will be brewed cup after cup.
